This year, we adapted to meet the challenges of a global pandemic. Participants embraced our need to pivot and offer events and programming differently from in the past. We focused on collaboration with our community members and organizations to offer events and conduct a successful year while keeping everyone safe.

Our highlights of the past year include the production of an original video "Take A Look at Zook," creative new fundraising efforts, including: the Kitchen Walk Luncheon & Kitchen Walk Outdoor Edition, Drive through Wine Pulls, The "Hinsdale: the 2020 Experience" exhibit, and a new summer offering of "Good Old Fashioned Family Fun" at the History Museum.

We continued care & maintenance of our historic properties. The Museum got a much needed new roof, in addition to regular maintenance like fixing our HVAC and a broken window.

Looking forward we have three areas of focus for the 2021-22 fiscal year:

- Significant Immanuel Hall exterior & interior maintenance
- Technology improvements, new hardware and volunteer training
- Education and Program calibration

Our mission is great, and so is our challenge. Individual generosity is VITAL, especially in this time of fewer and more competitive public and private grants. As a non-governmental non-profit, the Society receives no operations funding from the state, nor any federal funds.

We hope that you will give as generously as you can to our 2021-22 Annual Appeal. Any amount is deeply appreciated and will help us continue to focus on our goals. Thank you for being part of our success and helping us deliver our mission!

Gratefully,

Carrie Rozich
